

North Alabama Conference Disaffiliations

Vaughn Stafford shares information he has compiled on North Alabama Conference churches who will be presented for disaffiliation at the special called session on December 10, 2022:

Below are the 185 disaffiliated NAC churches listed alphabetically (that our ELT knows of).

Please let us know if you see any churches missing from our list. We think there are as many as another 20 that we do not know about.

Once again, the majority of these churches have voted or are preparing to vote to become GMC churches in the North Alabama Conference.

Church name (City-unless it is the church's name) followed by District abbreviation.
