

Dear Friends,

Happy New Year! Every New Year brings the opportunity for a fresh start and new beginnings. The United Methodist Church needs a fresh start this year! General Conference 2024 is just four months away and we have a much-needed opportunity to move our church forward. We can remove the harmful language and usher in a new era of global cooperation in mission through regionalization. We can also move past the divisiveness of disaffiliations. It is a whole new year for the church!

As we mentioned last week, Mainstream UMC received a great gift right before Christmas. A local church has offered a \$10,000 matching grant opportunity for our end-of-the-year fundraising! We have had a great response already, but we have not yet maximized the match. So, we are extending the invitation into the New Year. That means that your gift this week will still be doubled up to \$10,000. This is a great opportunity to make an even bigger impact in creating the fresh start our church needs.

Please donate today to help us fulfill this matching grant opportunity.
